93 Outstanding

From a bio-dynamically farmed estate, this 2009 is a blend of 55% Grenache (from 60- to 75-year-old vines) and 45% Syrah (from 40-year-old vines), all planted in limestone soils, and aged completely in concrete tanks. This remarkable offering is a naked expression of the vivid terroir and excellent fruit found in this region. The incredible aromatics consist of forest floor, spring flowers, sweet black currants, raspberries, licorice, and incense. With a pure, velvety, seamless, full-bodied texture and a finish that lasts 30+ seconds, this wine possesses a stunning integration of acidity, tannin, and alcohol, suggesting this 2009 will age nicely for 3-5 years, possibly as long as a decade. **However, it will be hard to resist given its current performance. Bravo!**
